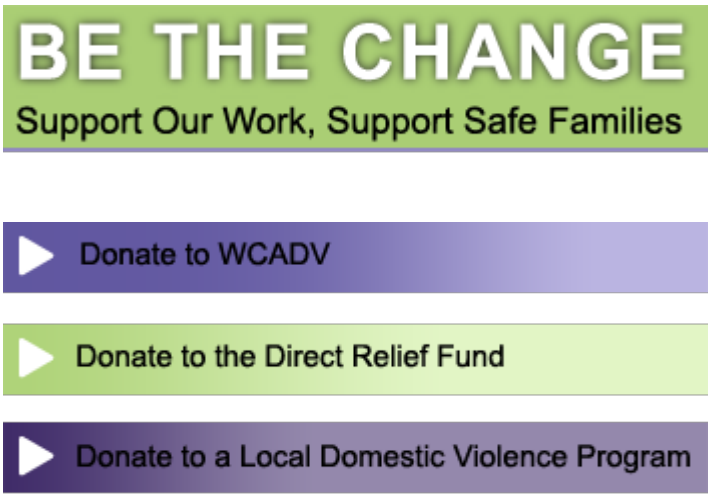
---



**At End Domestic Abuse Wisconsin:**

? We educate shelter and program volunteers and advocates, law enforcement, legislators, and community members to provide safety and support to survivors,
? We strive to shift Wisconsin from the attitudes and beliefs that cause domestic violence to values of mutual respect and equality, *and*
? We partner with communities in the effort to prevent and end domestic abuse.

**Our Mission**

End Domestic Abuse Wisconsin promotes social change that transforms societal attitudes, practices and policies to prevent and eliminate domestic abuse.

**Our Vision**

We envision communities fully engaged to provide safety and to give voice to all affected by domestic abuse, while creating the social change necessary to address its root causes.

**Our Guiding Principles**

We honor the wisdom and strength of domestic abuse survivors across the lifespan. Our mission is achievable through survivor-centered work that includes strategic partnerships and collaboration. As advocates for social justice, we embrace the voices of diverse communities. We will consider any non-violent strategy that is consistent with our mission to prevent and eliminate domestic abuse.
