

Safe Technology Use When Working with Survivors

When: Wednesday, February 19 from 1:00-2:30 PM

Where: Webinar

Do you operate a texting hotline? Thinking about starting one? Are you using Facebook? How are cell phones used at your agency?

Join us at **1:00 PM February 19, 2014** for a webinar presented by **Kaofeng Lee** from the **NNEDV Safety Net Project**. Kaofeng will focus on answering your questions and exploring solutions to technology and safety concerns.

Registration is closed.

Do you operate a texting hotline?or are you thinking about starting one? Are you using Facebook to connect with people who might need your services? How are cell phones used at your agency?

Join us at **1:00 PM on Wednesday, February 19** for a webinar presented by **Kaofeng Lee, National Network to End Domestic Violence's Safety Net Project** Coordinator and Communications Specialist.

Kaofeng will focus on exploring solutions to technology and safety concerns that are emerging in your work. Much of the webinar will be devoted to answering your questions.

Registration is closed.
