

WE LEAD (Wisconsin Empowered! Leadership Enrichment and Ally Development)

When: April 4-6 2013

Where: Madison

WE LEAD is a yearlong leadership academy focused on building new voices of leadership within the movement to end domestic and sexual violence. It provides hands-on leadership development for survivors of violence and people from underserved or under-represented communities. For more information or to apply for the next academy (by March 31) click [HERE](#) .

This is the last scheduled session of the 2012-2013 WE LEAD Leadership Academy.

WE LEAD is a yearlong leadership academy which focuses on building new voices of leadership within the movement to end domestic and sexual violence by providing hands-on leadership development opportunities for survivors of violence and/or people from Wisconsin's underserved or under-represented communities.

WE LEAD Leadership Academy participants:

- Learn about their personal leadership style and enhance their skill and capacity as leaders and change agents in various spheres of influence;
- Learn about key leadership concepts and cutting edge theories and practices regarding prevention and intervention of domestic & sexual violence;
- Become a part of a growing cadre of advocates and/or ally leaders who are committed to ending domestic and sexual violence.

To be considered for the **2013-2014 WE LEAD Leadership Academy** you must apply by **March 31**. For more information or to apply click [HERE](#) .
