

WE LEAD (Wisconsin Empowered! Leadership Enrichment and Ally Development)

When: February 6 & 7, 2014

Where: Madison

WE LEAD is a yearlong leadership academy focused on building new voices of leadership within the movement to end domestic and sexual violence. It provides hands-on leadership development for survivors of violence and people from underserved or under-represented communities.

Note: The application period for this opportunity ended in March 2013. This is the fifth session of the 2013-2014 WE LEAD Leadership Academy.

WE LEAD is a yearlong leadership academy which focuses on building new voices of leadership within the movement to end domestic and sexual violence by providing hands-on leadership development opportunities for survivors of violence and/or people from Wisconsin's underserved or under-represented communities. **This is the fifth scheduled session for the 2013-2014 academy.**

WE LEAD Leadership Academy participants will:

- Learn about their personal leadership style and enhance their skill and capacity as leaders and change agents in various spheres of influence;
- Learn about key leadership concepts and cutting edge theories and practices regarding prevention and intervention of domestic & sexual violence;
- Become a part of a growing cadre of advocates and/or ally leaders who are committed to ending domestic and sexual violence.

(Applications are no longer being accepted.)
