

Alice Software Manual for Wisconsin

!BEFORE YOU PRINT: This manual is updated regularly so it may not be advisable to print the whole thing. Also the table of contents is "clickable" and will jump to a section. You may wish to print out only pages you refer to regularly.

Updated 2/1/13 (new appendix, how hotline calls are counted on funder reports). Updated 1/14/14 (updated service types for SAVS, improved installation/upgrade worksheet)

Please contact Vicki, WCADV Technology Coordinator, at 608-255-0539 or by [email](#) to suggest changes or additions.

WCADV has recorded several Alice training webinars on data-entry, customization and reporting that you can access if you have a member login (Go to MEMBERS > Alice software help or For Advocates to find the link). Contact Vicki if you need member permission.
