

# Coalition Chronicles 32-2: Violence in Relationships Across the Lifespan

Throughout our lives, close relationships with family and friends are an important part of who we are. Many times complicated relationships continue throughout our lives, for better or for worse. In one family, there can be more than one person who experiences victimization and survives abuse; likewise there can be multiple perpetrators of abuse. Each of their experiences will be unique. This issue of the *Chronicles* highlights an important aspect of advocacy?helping survivors of any age or ability to heal and enhance other relationships in their lives.
