

Financial Empowerment Training Webinar Session I

May 25, 2010 webinar recording

Presenters: Dr. Vivian Larkin, Director of Economic and Social Justice, WCADV Morgan Young, Immigration/Poverty Law Attorney, WCADV Jolynn Woehrer, Task Force on Family Violence This webinar is the first in a two-part series. The content has been condensed from a 4-hour training that was designed to help advocates provide survivors with: Resources to strengthen confidence in order to take action; Strategies to address financial and safety challenges of ending a relationship with an abuser; Resources for working through quality-of-life changes they may encounter when fleeing abuse; Strategies to work through challenges that occur after identity or name change and abuser misuse of her personal records; Tactics to understand financial fundamentals and basic steps to building a strong financial base, including budgeting, saving, building credit, and managing debt. (Apologies for missing the first 15 minutes)
