

Director of Finance and Administration

Employer: DAIS (Domestic Abuse Intervention Services)

DAIS is the leading provider of domestic violence intervention and prevention services in Dane County. Founded in 1977, DAIS has grown from its humble beginnings of five volunteers working out of a church basement, to an organization of more than 20 full-time staff, numerous part-time staff, and over 130 volunteers providing comprehensive programming to thousands of Dane County residents each year. The organization is on the cusp of substantial growth in programming and the required staff and volunteer corps to support that programming. Additionally, the organization is in the midst of a \$7million capital campaign to build a new facility slated to open in summer of 2014.
