## At End Domestic Abuse Wisconsin:

- ? We educate shelter and program volunteers and advocates, law enforcement, legislators, and community members to provide safety and support to survivors,
- ? We strive to shift Wisconsin from the attitudes and beliefs that cause domestic violence to values of mutual respect and equality, *and*
- ? We partner with communities in the effort to prevent and end domestic abuse.

## Our Mission

End Domestic Abuse Wisconsin promotes social change that transforms societal attitudes, practices and policies to prevent and eliminate domestic abuse.

## Our Vision

We envision communities fully engaged to provide safety and to give voice to all affected by domestic abuse, while creating the social change necessary to address its root causes.

## Our Guiding Principles

We honor the wisdom and strength of domestic abuse survivors across the lifespan. Our mission is achievable through survivor-centered work that includes strategic partnerships and collaboration. As advocates for social justice, we embrace the voices of diverse communities. We will consider any non-violent strategy that is consistent with our mission to prevent and eliminate domestic abuse.
