

Ms. Magazine: What the Health Care Bill Means for Women

President Obama signed the 2,409–page health-care reform act into law March 23, 2010, and the analyses of its effects are beginning to come out. Some provisions go into effect immediately, others in 3-6 months, others in 2014. This article talks about how it will affect women and others: <http://msmagazine.com/blog/blog/2010/03/24/what-the-health-care-bill-means-for-women>
